Read Luke 15:11-32

- Explain this parable.
- Why does the younger son want his share of the inheritance?
- What does he do with the money?
- What's happening in the land?
- Where does he go to work?
- How awful is it for a Jew to be feeding swine?
- What thought came to him?
- How did his father receive him?
- Why was he so happy to see him?
- How did his older brother feel about the party?
- What do these last three parables tell us about God's love for us?
