Discussion Questions – Jesus as a Healer

This is an exercise adapted from *In Jesus' Time* by K. Merrill and K. Christian.

Choose one of the healings in the book of Luke. You may need some research books to help you with your responses.

Bible Healing _____

Scripture _____

What is the problem to be healed? Where does it occur?

In the healing account, does the author indicate what might be in the thought of the patient? Explain those qualities.

Describe the environment in which the healing takes place. Does anyone resist this healing taking place?

What rituals, traditions, or customs does Jesus break (if any)?

From the account in Luke, what is Jesus' thought about this situation? [Ex. Jesus was moved with compassion]

What specifically does Jesus say or do in order to bring about the healing?
