

A Helpful Hand

Jesus heals a man with a withered hand (Luke 6:6-13 and Matthew 12:9-13).

In the space below, trace your hand. Write one truth about God in each finger and in the palm.

For example: God's love heals.

A large, empty rectangular box with a thin black border, intended for a hand-drawing activity. The box is positioned centrally on the page, below the instructions. It is currently blank, providing space for a child to trace their hand and write a truth about God in each finger and the palm.
